Sailing on the North Sea

Want the full ocean experience, but lack time? Crossing the most difficult and busiest sea with the North Sea Run might be perfect for you. The North Sea is important for marine life, transport, energy and tourism.

Join us from Friday 16th July - Sunday 18th July on this epic offshore trip onboard our 60ft Volvo Ocean Racer BOUdragon!

* The map is an indication of the route

- Freeze dried food and water on board
- P&I insurance

Price excludes

- Personal insurance
- Food onshore

Due to Covid-19 regulations or irresponsible weather circumstances the event can be rescheduled by the team of Holland Ocean Racing.

With whom will you board?

Your captain will be the round the globe professional and Volvo Ocean Race skipper Hans Bouscholte.

With his top-level competition experience, he is your best choice as captain and coach to bring you and your team to a higher level. He will bring co-skipper Willem Jan Landman and 4-5 talents with him from the Ocean Races Academy.
