Watch our training in action!

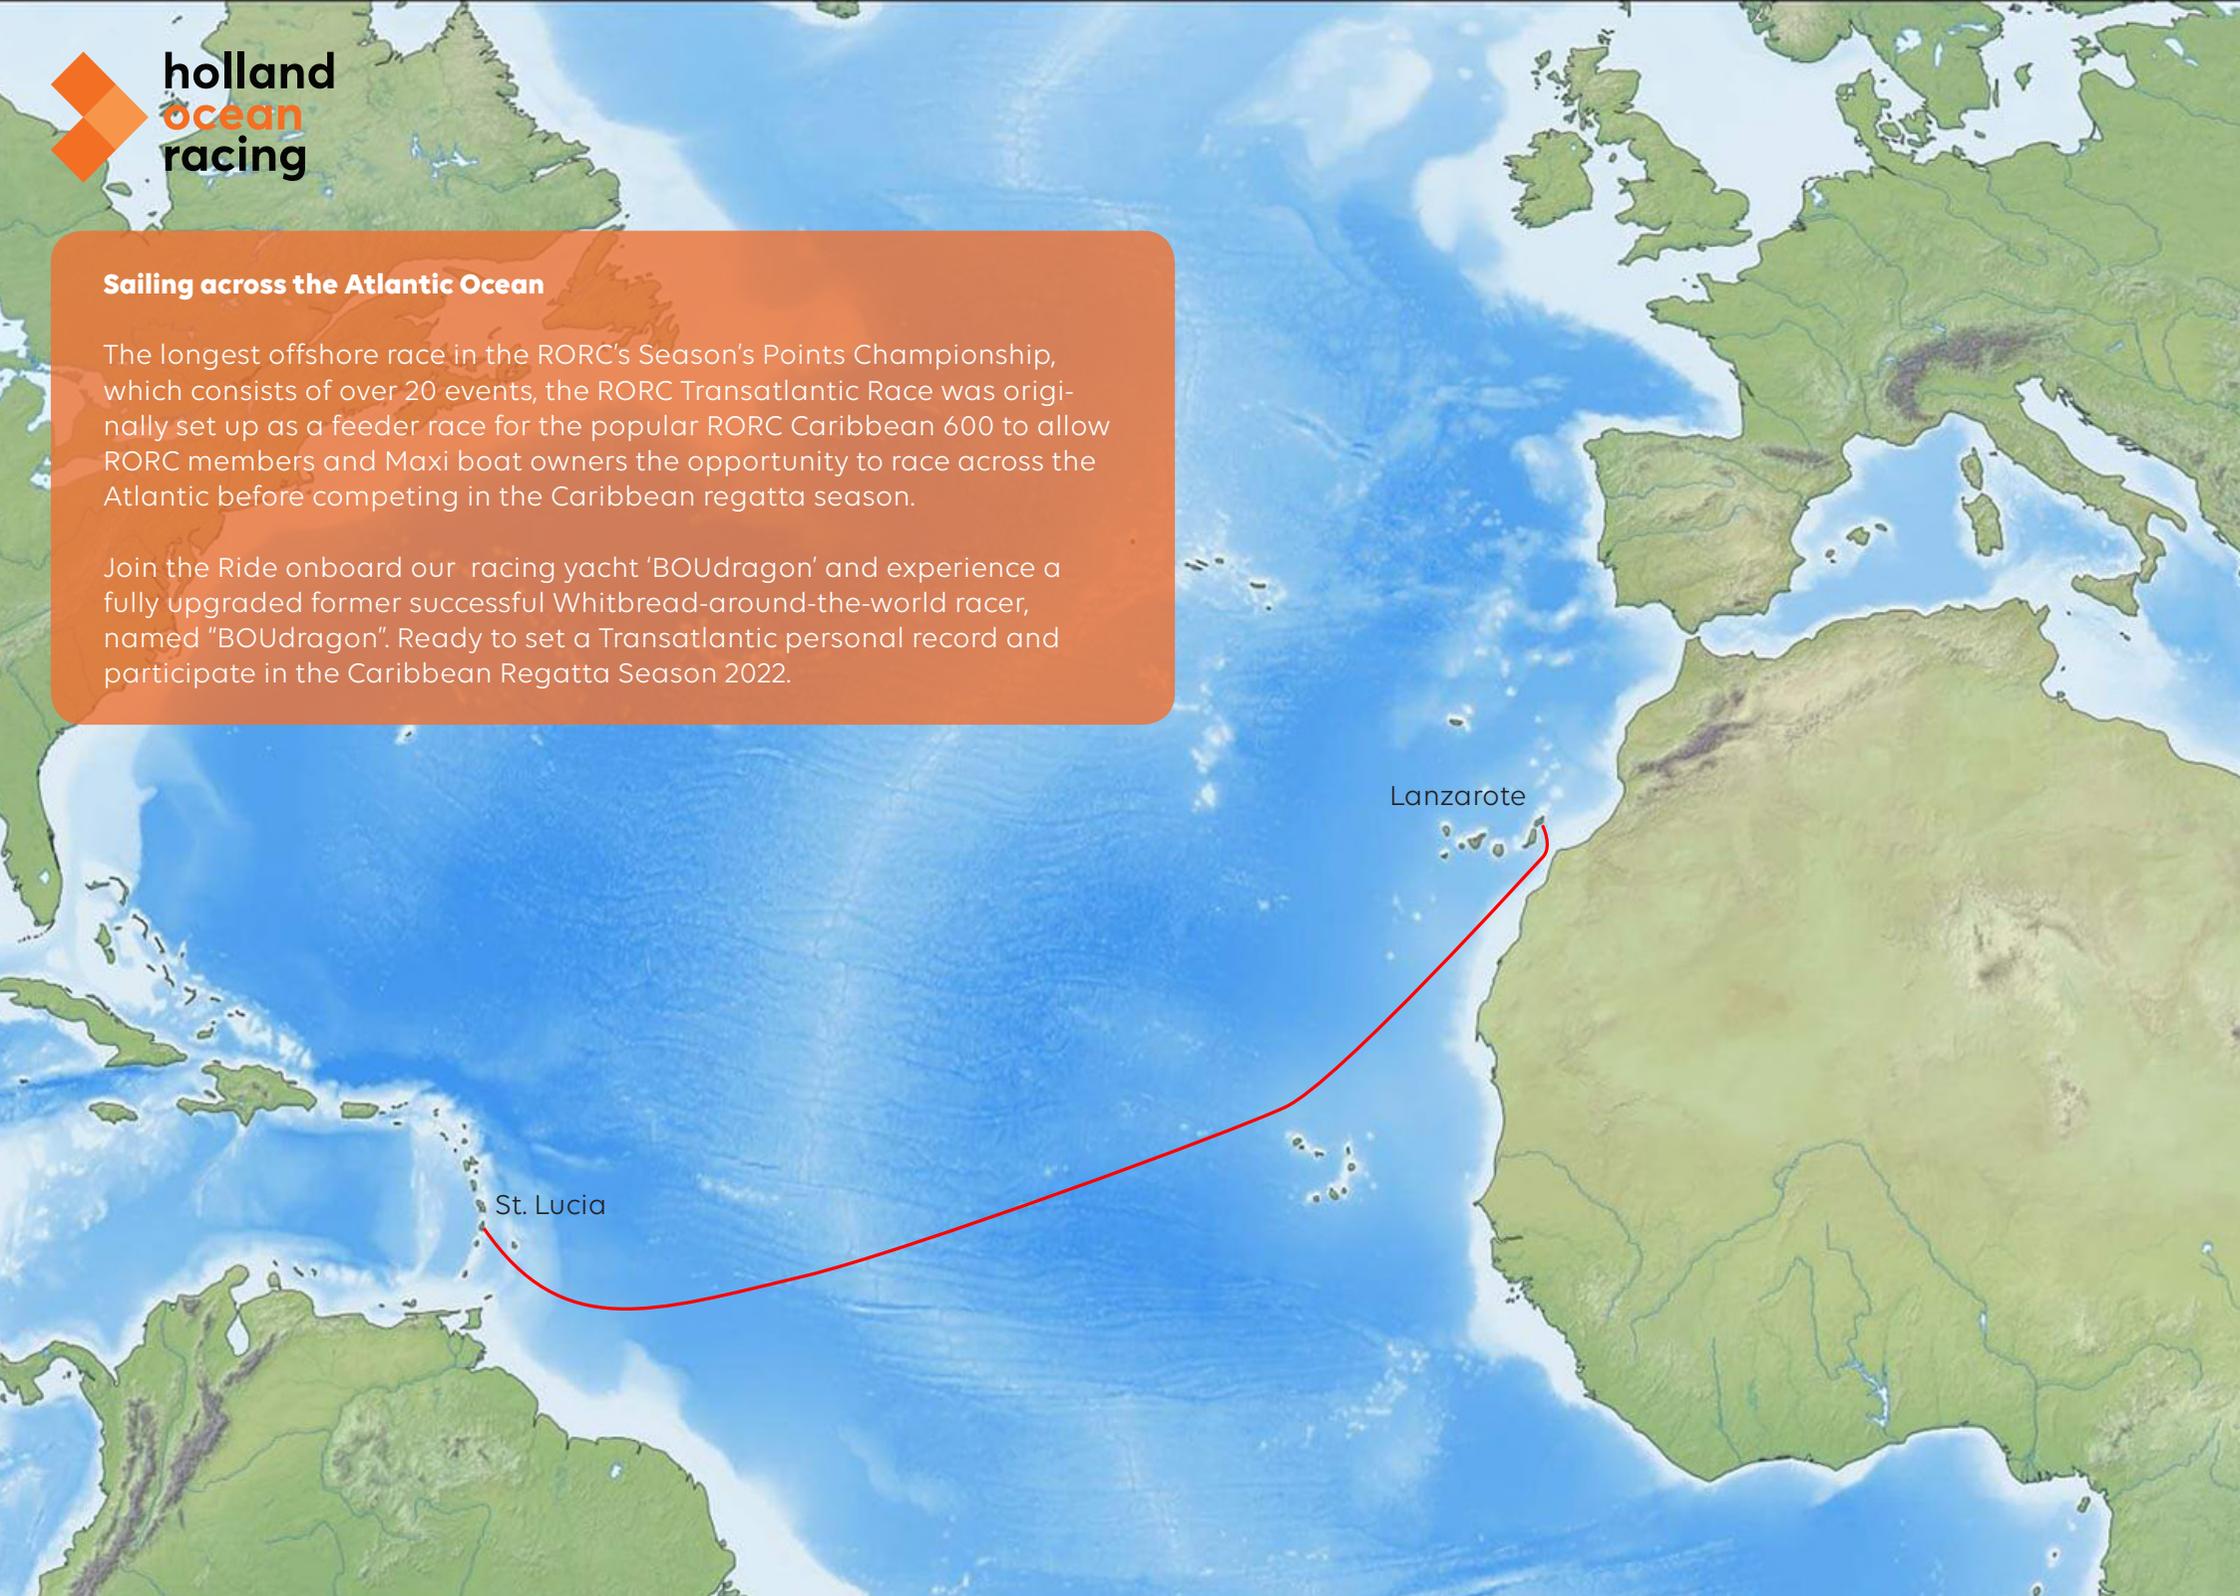

Sailing across the Atlantic Ocean

The longest offshore race in the RORC's Season's Points Championship, which consists of over 20 events, the RORC Transatlantic Race was originally set up as a feeder race for the popular RORC Caribbean 600 to allow RORC members and Maxi boat owners the opportunity to race across the Atlantic before competing in the Caribbean regatta season.

Join the Ride onboard our racing yacht 'BOUdragon' and experience a fully upgraded former successful Whitbread-around-the-world racer, named "BOUdragon". Ready to set a Transatlantic personal record and participate in the Caribbean Regatta Season 2022.

Lanzarote

St. Lucia

The RORC Transatlantic Race

We will start the race on the 8th of January 2022 from the volcanic Island Lanzarote. The RORC Transatlantic is one of the most famous races across the Atlantic Ocean in the world. An approximately 3000 mile race from Lanzarote to the finish in St. Lucia (Caribbean).

Due to Covid-19 regulations or irresponsible weather circumstances the event can be rescheduled by the team of Holland Ocean Racing.

With whom will you board?

Your captain will be the round the globe professional and Volvo Ocean Race skipper Hans Bouscholte.

With his top-level competition experience, he is your best choice as captain and coach to bring you and your team to a higher level. He will bring a co-skipper and 10-12 talents with him from the Ocean Races Academy.
